Peter Pan and the Island of Dreams

4 & 5 February 2026

The Story

The story is set in and around Fujairah, with the main action focused on Snoopy Island. The island is a wonderful natural ecosystem largely untouched but home to eco-conscious Islanders and a group of Lost Boys.

As well as being home to the multitude of wildlife seen in the UAE, the island is surrounded with Oyster-rich, turquoise waters. Back in time, this was the perfect location for pearl fishing.

The leader of the Islanders is Tigerlily, a wise and determined Island Princess who joins forces with Peter Pan, the leader of the Lost Mountain Boys, to protect the pearl fishers from marauding pirates.

As the story unfolds, three children are brought by Peter to experience Snoopy Island adventures. They arrive at the island from their Fujairah palace by flight, and we don't mean in an A380. Peter dusts them with pixie dust from the Hajar mountains and with that and a little imagination, they are able to fly.
